Positive Coaching
 Coaches make an extra effort to understand and offer positive feedback to players, rather than negative criticism.

Player Development
 We believe all players should develop their soccer skills and knowledge to the best of their ability.

Good Sportsmanship
 We create a positive environment based on mutual respect, rather than a win-at-all-costs attitude.

AYSO's Six Philosophies

Balanced Teams
 No team has an unfair advantage over another...it is more fun when teams of equal ability play.

Everyone Plays
 Kids play at least half of every game...it's all about learning to play soccer and having fun!

Open Registration
 Our program is open to all children between ages 4 and 18...ask about our special programs!
